

TECH NEEDS DISCOVERY EVENT

18/03/25 14-18

Space Business
Innovation Centre
Noordwijk

WHAT IS IT?

A unique event connecting space innovators with non-space companies to explore technology needs and solutions through direct interaction and matchmaking.

ON-STAGE TALKS

Non-space companies will be brought on stage to engage on interactive deep dives into their tech needs and challenges, guided by the ESA Technology Broker NL.

MATCHMAKING

Afterwards, space innovators engage in live brokering: Matchmaking sessions on the spot, between them and the tech need owners.

WHO IS IT FOR?

- Tech Need Owners (Non-Space)** From High Tech, Agri-Food, Logistics and Energy with an interest in space tech.
- Space Tech Innovators** With revolutionary solutions, ready to explore new frontiers.

WHY IS IT IMPORTANT FOR YOU?

-  Find cutting-edge solutions tailored to your needs.
-  Gain direct access to industry experts and partners.
-  Expand your network and explore new opportunities.
-  Don't miss this chance to connect and collaborate!
